Microsoft Azure Virtual Training Day: Data Fundamentals

Thank you for attending Azure Virtual Training Day: Data Fundamentals from Microsoft Learn. We hope you found this training useful, and that you're inspired to put your new knowledge to work as you continue to create impact and opportunities in your career. The presentation deck is available for download [here](#).

Once you have completed this training, you are eligible to take the Azure Data Fundamentals certification exam at no cost.

How to schedule your exam:

1. Five business days after the event has concluded, click to view the [exam details](#).
2. Click the Schedule Exam button to begin the registration process.
3. Sign in or create a new profile.
4. To link your account, navigate to "exam discounts" and enter the email you used to register for this event. (You must link your account to receive the discount.)

For issues with your exam redemption, please visit [Microsoft Certification Training Support](#) and search for the topic you need assistance with. For questions about the fully funded certification, exam eligibility, scheduling, or expirations, please review [the FAQ](#).

We invite you to continue your learning:

- Check out the [Microsoft Learn Collection](#) for a curated set of resources on the topics covered in this training.
- Take the Data Fundamentals [practice exam](#) to validate your knowledge and understanding of the exam experience.

We look forward to seeing you at [future events](#).
