

Assume I have table(tb1) like below

id	Name
1	Import - Asuri - 598
2	Import - HPE - 1045 - Upload to Cloud
3	Import - Alti - 1023 (Pending PM)
4	Import - Com - 948 (1:30PM)
5	Import - Connect Pid 1063
6	Import - JumpStart-PID-1051 (iRhythm RL)
7	Import - Com - 1071/1072

I want output like below.

id	Name	Output
1	Import - Asuri - 598	598
2	Import - HPE - 1045 - Upload to Cloud	1045
3	Import - Alti - 1023 (Pending PM)	1023
4	Import - Com - 948 (1:30PM)	948
5	Import - Connect Pid 1063	1063
6	Import - JumpStart-PID-1051 (iRhythm RL)	1051
7	Import - Com - 1071/1072	1071
8	Import - Com - 1071/1072	1072

Please help.

Thanks in Advance.
